PRESS RELEASE # 008

Date: 9/10/24

Time: 15:31

STATEMENT ON AIRPORT FIRE

There has been a history of off-roading vehicles damaging areas both along Trabuco Creek Road and on private properties adjacent to the roadway.

Crew members were placing large rocks along the roadside to keep drivers on the roadway and prevent off-roading vehicles from illegally accessing those adjacent areas. The work performed was intended to prevent or minimize property damage along Trabuco Creek Road and was not directly related to fire safety. The work was performed at the request of adjacent private property owners.

The County of Orange is currently internally investigating the cause of the fire and is complying with all authorities at the present time.
