I. BACKGROUND

The Board of Supervisors (the "Board") of the County, acting on behalf of Community Facilities District No. 86-1 (Rancho Santa Margarita), hereinafter referred to as "CFD No. 86-1" or the "District", adopted Resolution No. 86-735 on June 3, 1986 stating its intent to establish the District and to authorize the levy of special taxes within the boundaries of the District (boundary map included as Appendix A). On the same date, the Board also adopted Resolution No. 86-736 stating its intent to have the District incur bonded indebtedness in the amount not to exceed \$41,200,000.

On July 9, 1986, following public hearings, the Board adopted resolution No. 86-909 establishing the District and authorizing the levy of a special tax, and Resolution No. 86-910 determining the necessity to incur up to \$41,200,000 of bonded indebtedness.

At a special election held on July 9, 1986, the owners of the property within the District boundaries authorized the District to incur bonded indebtedness in an amount not to exceed \$41,200,000 and approved the rate and method of apportionment of the special tax to pay principal and interest on the bonds and annual administration fees to levy the special tax.

Bonds in the amount of \$23,945,000 and \$17,255,000 were issued with dates of August 1, 1986 and October 1, 1989 for a total of \$41,200,000. In November 1989, the County refunded these bonds and issued \$42,360,000 of Series 1989 Special Tax Refunding bonds in accordance with Resolution No. 89-1465.

On July 9, 1999, the South County Public Financing Authority (the "Authority"), a California joint powers authority organized pursuant to the Joint Exercise of Powers Agreement dated March 4, 1994, issued \$75,290,000 in Special Tax Revenue Bonds (the "1999 Series A Bonds") in part to refund the Series 1989 Special Tax Refunding bonds. The 1999 Series A Bonds are to be repaid through the levying of special taxes within five of the County CFD's. The portion of the 1999 Series A Bonds allocated to each of the five CFD's is designated the "Local Obligation." The Local Obligation amount for CFD No. 86-1 is \$32,335.00.

III. RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX

The Board adopted and approved the Rate and Method of Apportionment of Special Tax (the "Rate and Method") for CFD No. 86-1 as set forth in Exhibit A to Resolution No. 86-909, the Resolution of Formation established the District and authorized the levy of the Special Tax. The Rate and Method provides that residential property will be taxed on the basis of the number of units per acre, while commercial/industrial property will be taxed on the basis of square footage of improvements. A copy of the Rate and Method is included in Appendix B.

The Rate and Method establishes two primary property classifications: "Developed Property" and "Undeveloped Property." Developed Property, consists of all Assessor's parcels in CFD No. 86-1 for which an escrow has closed for a single family residential unit, a certificate of occupancy has been issued for an apartment, or a building permit has been issued for commercial/industrial property on or before July 1 of the fiscal year for which the special tax is being levied. Undeveloped Property is all other taxable property not classified as Developed Property.

Assignment to Tax Class

Developed Property is assigned to one of six tax classes depending on whether or not the property is used for residential or non-residential purposes. Residential property is assigned to one of five tax classes based upon density of development excluding public streets and other public or utility easements.

Maximum and Levied Special Tax Rates

The amount of special taxes that CFD No. 86-1 may levy is limited by the maximum rates set forth in the Rate and Method. The initial maximum rates for Developed Property and Undeveloped Property, which escalate annually, are set forth in Part I of the Rate and Method. The annual rate of escalation is four percent (4.00%).

The Fiscal Year 2012-2013 special tax rates for Developed Property are approximately five and six-tenths of a percent (5.6%) higher than the Fiscal Year 2011-2012 rates. There is no Undeveloped Property in CFD No. 86-1. The Fiscal Year 2012-2013 Maximum Special Tax rates and the special tax levy for each class of property are shown in Table III-1.

0	Undeveloped	\$5,544.94 /acre	\$0.00 /acre	0.00%

Apportionment of Special Taxes

The amount of the special tax requirement that is apportioned to each parcel of Developed Property and Undeveloped Property is determined through the application of Parts I and II of the Rate and Method.

Special taxes are levied on Developed Property at up to the maximum rates identified in Part I of the Rate and Method. If additional funds are needed, special taxes shall be levied on Undeveloped Property up to the maximum special tax plus an additional amount (if needed) sufficient to meet the special tax requirement.

No special taxes are levied on public properties, utility properties, and properties encumbered with public or utility easements making impractical their utilization for other than the purpose set forth in the easement.

There is no provision for prepayment of the special tax.

IV. SPECIAL TAX REQUIREMENT

Each Fiscal Year the Board determines the amount of special taxes to be collected (the "Special Tax Requirement") from taxable property in CFD No. 86-1 (Rancho Santa Margarita). The Special Tax Requirement shall include sums necessary to pay debt service (interest and principal), to create or replenish reserve funds, and to pay for administrative and authorized public improvements. The Special Tax Requirement for the Fiscal Year 2012-2013 is shown in Table IV-1 below.⁴

IX. SUMMARY OF MELLO-ROOS COMMUNITY FACILITIES ACT OF 1982

Due to the voter approval of California's Proposition 13 in 1978, local government agencies were confronted with a more difficult environment in which to generate tax revenue to build or improve public facilities and services.

Consequently, in 1982, a legislative bill, which was sponsored by Senator Henry Mello and Assemblyman Mike Roos, was enacted by the California State Legislature. The Mello-Roos Community Facilities Act [section 53311 et. Seq. of the Government Code], which bears the names of the sponsors, provided an alternative to conventional means of financing public infrastructure. It gave local government authorities the ability to establish "Community Facilities Districts" (CFDs) in order to enhance the generation of local property tax revenue by issuing special levies.

The Mello-Roos financing provided many cost saving features which conventional financing cannot such as low cost tax-exempt financing. The act complies with Proposition 13, which permits cities, counties, and special districts to create defined areas (CFDs) within their jurisdiction and, by a two-thirds vote within the defined area, impose special taxes on land owners to pay for debt services on bonds issued to finance the necessary public improvements.

Through the sale of bonds, a particular CFD may provide for the purchase, construction, or expansion of any real or other tangible property with an estimated useful life of at least five years. A CFD may also finance the cost of planning, designing, engineering, and consulting involved in the construction of improvements of the formation of the CFD. The facilities and services that can be financed by the Mello-Roos CFD may include, but are not limited to roads, libraries, child care, fire protection, police protection, and park maintenance and operation.

Formation of a CFD authorizes the public agency to levy a special tax on all taxable property within the CFD, as defined in the formation documents. Property owned or irrevocably offered to a public agency may be exempt from the special tax. Mello-Roos special taxes are collected at the same time and manner as regular property taxes, unless otherwise specified.

*RATE AND METHOD
OF APPORTIONMENT*

EXHIBIT B

RATE AND METHOD OF APPORTIONMENT OF
SPECIAL TAX
FOR COMMUNITY FACILITIES DISTRICT NO. 86-1
(RANCHO SANTA MARGARITA)
OF
THE COUNTY OF ORANGE

The Special Tax applicable to each Assessor's Parcel in Community Facilities District No. 86-1 (Rancho Santa Margarita) (herein the "District") shall be levied and collected according to the tax liability determined by the County of Orange through the application of the appropriate rate for "Developed Property" or "Undeveloped Property" as described below.

All of the property in the District, unless exempted by law or by these proceedings, shall be taxed for the purposes, to the extent and in the manner herein provided. The following classes are established for the purpose of imposing, administering, levying and collecting the Special Tax specified herein. All property in the District not exempt from the Special Tax for the District shall be identified as of July 1 of each year as falling into one of the following categories:

I. Developed Property

A. Residential

Residential property on which an escrow has closed for the sale of the property to a homebuyer, or on which a certificate of occupancy has been issued for an apartment on or before July 1 will be Developed Property for the fiscal year beginning July 1.

Each parcel of residential Developed Property shall be assigned to a property class for levying the Special Tax. The property classes are based upon density of development, exclusive of public streets and other public or utility easements. For purposes of assigning a parcel of land to a property class, the density per acre for the parcel shall be determined by reference to the PC Zoning in effect for such parcel on the July 1 that such parcel is first categorized as Developed Property.

Each class of residential Developed Property will be subject to the Maximum Special Tax as set forth below beginning fiscal year 1986-87:

<u>Property Class</u>	<u>Amount Per Year</u>
Class 1 - Single Family Residential	
A. Density 6.0 or less	\$775.00
Class 2 - Multifamily Residential	
A. Density 6.1 to 8.9	630.00
B. Density 9.0 to 13.0	530.00
Class 3 - Multifamily Residential	
A. Density 13.1 to 18.9	385.00
B. Density 19.0 & greater	315.00

B. Nonresidential

Retail and commercial property for which a building permit has been issued on or before July 1 will be Developed Property for the fiscal year beginning July 1. The Special Tax for nonresidential property (Class 4) is levied on the basis of the gross square footage of a building, exclusive of parking

facilities. Nonresidential Developed Property will be subject to a Maximum Special Tax of \$0.30 per square foot beginning fiscal year 1986-87.

II. Undeveloped Property

For each fiscal year, Undeveloped Property includes all residential property on which an escrow has not closed with a homebuyer or on which a certificate of occupancy for an apartment has not been issued on or before July 1 and all nonresidential retail and commercial property for which a building permit has not been issued on or before July 1. The Maximum Special Tax on Undeveloped Property (Class 5) is \$2,000 per acre, or portion thereof, plus an amount per undeveloped acre, or portion thereof, set by the legislative body annually, sufficient to provide for all annual District costs, including, but not limited to, any cost of the Facilities (as defined in Resolution No. 86-735), bond debt service, administrative costs and funds for special reserves, less any special tax revenues collected from all other classes.

III. Annual Adjustment

The above Special Taxes for Developed Property and Undeveloped Property will increase at 4% per year compounded annually. The increase will remain in effect only so long as necessary to insure payment of

annual debt service and administrative costs of the
District.

IV. Limitations

The Special Tax shall not be imposed upon public properties, utility properties and properties encumbered with public or utility easements making impractical their utilization for other than the purpose set forth in the easement.
