Initial each of the following two items indicating that you have read and understand the statement:

11. *Sprinkler/Alarm Requirements: Consult California Building and Fire Codes and local ordinances to determine sprinkler or alarm system requirements; if a system is required, plans shall be submitted to the OCFA. Existing buildings undergoing remodel must be evaluated by a licensed contractor to determine if modification is needed; if so, the licensed contractor shall submit plans for approval prior to any changes taking place. (Initial here: __________)

12. Fire Hazard Severity Zone: Consult the maps available at the building department or on the OCFA website to determine if your site is located in a FHSZ. Buildings in a FHSZ may be subject to special construction requirements detailed in CBC Chapter 7A—the building department will determine specific requirements. (Initial here: __________)

I certify under penalty of perjury under the laws of the State of California that the above is true:
